FOR CONSTABLE,

EX-GOVERNOR BRADLEY denies the published statement that he will assist in the prosecution of Taylor, in the event that he is brought back to Kentucky for trial.

A DISPATCH from San Francisco says that on account of the serious illness of Mrs. McKinley the President will abandon his Northwestern tour and will return direct to Washington as soon as Mrs. McKinley's condition will justify her removal.

The resignation of County Judge J. W. Tilton, of Nicholas county, who is dying at Carlisle, was telegraphed to Governor Beckham yesterday, and his son, A. B. Tilton, was appointed to succeed him. The appointment was in accordance with the lawyers of Carlisle and Dr. J. G. McNew, Democratic nominee for County Judge at the November election.

CAPTAIN J. D. FEENEY, of Richmond, father of Mr. John Feeny, of this city, has announced himself a candidate for Chief of Police of Richmond, and his many friends in this city hope he will have a walk-over. Capt. Feeny's popularity is attested by the fact of his having a cigar named after him, and those who have smoked them say it is a good cigar named after a good man.

PRESIDENT MCKINLEY and party are making one of the most extensive tours ever known in this country, on one of the finest trains, and without a cent of expense attached to it, the Pullman Palace Car Company and the great railroad corporations standing all of the expenses. That they are doing this for nothing no one will admit. They are only hindering themselves with stronger bonds to the party which has always protected them and looked out carefully for their interests.

George Caught a Burglar.

[Maysville Ledger.]
George W. Nippert, who comes to Maysville for a Cincinnati candy foundry, went to his home on Walnut Hills Wednesday night and found a lady burglar in the house. He scared her away and she soon entered another house, whose owner "gave her a run for the money." When he caught her she proved to be a "swell" neighbor—and he let her go.

Mrs. McKinley Seriously Ill.

A despatch from San Francisco yesterday said:
"Late to-night Mrs. McKinley is no better. She has taken nothing but liquid nourishment for several days, and is extremely weak. Her condition excites much apprehension.
"Grave fears are expressed that she will not rally.
"The physicians are not yet able to check intestinal trouble and her enfeebled condition is against her. After a consultation last night Drs. Rixey and Hirschfelder remained in attendance.
"The President and physicians fear the worst. The President has cancelled all engagements and will remain here indefinitely."

DeWitt's Little Early Risers search the remotest parts of the bowels and remove the impurities speedily with no discomfort. They are famous for their efficacy. Easy to take, never gripe.—W. T. Brooks.

V. B. Conklin, Bowersville O. says:
"I received more benefit from Foley's Kidney Cure than from months of treatment by physicians." Take no substitute. Clarke & Kenney.

The greatest skin specialist in America originated the formula for Banner Salve. For all skin diseases, all cuts or sores, and for piles, it is the most healing medicine. Clarke & Kenney.

STORIES OF THE STAGE.

Coming Attractions, Gossip in the Lobby and Boxes

A charming Operetta, "The House that Jack Built," will be given in this city June 14th and 15th under the auspices of the Paris Federation of Clubs for the benefit of the public library fund. This Operetta has recently been given in Louisville with great success. The one hundred and fifty children in the Operetta will be trained by Miss Margaret Martin of Chicago. Miss Martin will hold her first rehearsal to-morrow morning at 9:30 in Miss Tipton's school room.

The entertainment to be given by the Pickwick Club at the Opera House on Friday, May 24th, will and should be liberally patronized. It will be remembered that last Summer Mr. and Mrs. McCann gave an entertainment here for the benefit of the Public Library fund which netted that cause one hundred and fifty dollars. For that reason, if for none other, they should be liberally patronized next Friday. The entertainment will be a high class one. Mr. and Mrs. McCann will appear in a sketch written for them by Miss Pearl Hammond, dealing with local life in Paris, entitled "Wanted a Wife." Mr. G. D. Mitchell has written a very clever sketch entitled "Edgewood" which will be produced by Miss Hammond and himself. Ruth and Clara the clever little juvenile performers will also appear, as will the Paris Mandolin Club. Altogether it will be a very enjoyable entertainment.

The Passenger Department of the U. H. & D. Ry. has just issued a beautiful set of rules on "Bridge Whist," which will be mailed on request. Enclose two cent stamp. Address "Bridge Whist Advertising Department" C. H. & D. Ry., Cincinnati, Ohio.

James Fee & Son,

Harefield Humor of the Rockies.

High up on the Laramie range there is a little station called Sherman—a mere watering place for trains on the Union Pacific railway. Near by it is a gigantic pyramid of stone 60 feet high and 60 feet square at the base, which was set up by the railway as a monument to Oakes Ames and Oliver Ames.

In the latter eighties there arrived at Sherman a shabby person of meek and choly aspect, who put up a "shack"—western for shanty—not far from the monument. Ostensibly, he was prospecting, and he continued to prospect for three years without accomplishing any results, so far as could be observed. At the end of that period the management of the Union Pacific received from him a communication demanding the immediate removal of the monument from the premises, which he claimed as his under the homestead law.

The matter was regarded in a humorous light at first, but subsequent proceedings developed the fact that the squatter had what lawyers call a "case." The stranger, it seems, had located on a section of land which did not belong to the Union Pacific—the same section on which the monument lay by an inadvertence, been placed. He knew very well what he was about, and the upshot of the affair was that the railway had to pay \$5,000 for the squatter's tract in order to make its title good.

The monument, by the way, is distant only about 100 yards from the station, and it is a favorite trick of experienced persons to induce green travelers to attempt a run to the pyramid and back during the two minutes of the train's wait. In nine cases out of ten they fall on the track, bleeding at the nose, the air being so rarefied at that elevation of 8,300 feet as to forbid such exercise.—Saturday Evening Post.

The Coffee He Wanted.

"Lady," said the beggar, "won't you gimme a nickel to get some coffee?" The woman did so, and he started in to the neighboring saloon.

"Here," she cried, "you don't get coffee in there?"

"Lady," he replied, "dat's where yer way off. Dey keeps it on de bar wid de cloves an orange peel."—Philadelphia Record.
